

EITC Program to Lose Funding.... We need your help!

The PA State Senate passed a budget bill that called for a significant reduction of the EITC program by \$35 million. If the EITC program funding is cut, there is a chance that your child or a child in your school may not receive a scholarship from EPSF in future school years!

It is imperative that each and every state senator and representative receive at least 100 emails, phone calls, or letters from parents and schools asking them to keep the EITC program at \$75 million!

Over 10,000 scholarships have been awarded to students in the Diocese of Allentown thanks to contributions to EPSF through the EITC program. Help to keep this opportunity available to all students in the Diocese of Allentown by contacting your state senator and representative.

Thank you for helping EPSF mobilize support to keep this important scholarship program fully funded.

Below are the instructions to find your state senator and representative and easily send a pre-written email, fax or letter:

1. Go to www.paschoolchoice.org
2. Click on "Contact your legislators" on the left side navigation
3. Under "Active Issues" click on "Don't Cut EITC Funding - Parent"
4. At the bottom of the next page, click "Take Action"
5. Complete the user profile - providing your home address will identify your state senator and representative
6. Now you will be able to choose email, fax, or letter then personalize what you would like to say
7. After you personalize and sign your name, click "Send Message"
8. This will automatically send your message to your state senator and/or representative
