# SCHUYLKILL CATHOLIC

Young Church

*bringing Christ to the region  
& the region to Christ*

## ENCOUNTER

An encounter with Jesus Christ is life-changing. It brings hope, joy and healing. SCYC seeks to foster an authentic encounter with Jesus Christ through His Church and authentic friendships.

## GROW

Following Christ as His disciple is a journey of continual growth in prayer, virtue and study of our Catholic faith. SCYC seeks to foster continual growth in discipleship among the youth of our region.

## GO

Having encountered Christ and made the decision to follow Him along the path of discipleship, we then seek to share Him with others as His witnesses. Schuylkill Catholic Youth Ministry fosters opportunities to respond to the Great Commission and the call to serve Christ in our neighbor.
